I paralumi Roberto Giovannini sono interamente realizzati a mano da esperti artigiani. I tessuti, i telai e gli altri materiali impiegati sono sapientemente selezionati per garantire la massima qualità e la piena rispondenza dei prodotti agli standard internazionali. Si raccomanda di maneggiare ciascun prodotto con la massima cura trattandosi di oggetti estremamente fragili. E' assolutamente sconsigliato utilizzare acqua per la pulizia.

The Roberto Giovannini's lampshades has been completely handmade from skilled artisans. The fabrics, the iron and other materials are all first quality choice purposely selected to create a high quality products in conformity with the international standards. Due to its particular shapes and to the lightness and delicacy of the fabrics, the Roberto Giovannini's lampshades should be handled with care and not washed.
