material

Designed as a soft and welcoming daybed, to relax outdoors. Padded with polystyrene for unlimited freedom of movement, its rectangular shape is softened by the stitching and soft lines. Fully removable cover, in double protective water resistant fabric.

materiali

Progettato come morbido e accogliente lettino per il relax all'aperto. Imbottitura con polistirolo per una libertà di movimento illimitata, la sua forma rettangolare viene addolcita dalle linee morbide. Tessuto di rivestimento resistente all'acqua e completamente sfoderabile.
