

Lover Point

LOVER POINT

in white and anthracite metal
in metallo bianco e antracite

material

Unique pieces, masterpieces of craftsmanship based on an exclusive design for the Villevenete outdoor line. Forged in painted steel, we offer two sizes of the Lover Point lanterns, available in white, rust and anthracite.

materiali

Pezzi unici, capolavori di artigianato su disegno esclusivo per la linea outdoor di Villevenete. Forgiate in acciaio verniciato, proponiamo in due misure le lanterne Lover Point, disponibili in bianco, rust e antracite.
