LINEN

A versatile fabric made with natural fiber with exceptional characteristics of functional quality and comfort. Linen, one of the most ancient and noble yarns, gives furniture an essential, natural touch that conveys a “lived-in” sensation.

VISCOSE VELVET

An artificial yarn that suggests the elegant sheen of silk, viscose is soft to the touch but resistant to wear. To enhance interiors with precious elegance, this fabric is available in many colors, all with a vivid, luminous effect.

NUBUCK

Nabuk, also known as nubuck, is a type of leather whose surface has been treated to give it an almost velvety look. A material of the highest quality, pleasing to the touch, soft, elegant and refined.
