FCI Design Task

Thank you for your application to join the FCI team Interior Design team. Most applicants don't bother to do this design task as it's much easier to apply for jobs that just ask for a CV.

That's perfect, because we don't want applicants who want an easy ride.

Once completed, please email your CV, your portfolio and this task to careers22@FCILondon.co.uk.

Please mark on the task how many hours you spent on it.

Good luck.

(please only complete this task if you are applying for the ID role)
