# Eral, Miss Eral

Elegant and refined, Eral is a padded chair with a high backrest that makes it especially comfortable and suitable for every setting and for any style. It is upholstered entirely in leather, eco-leather or emery-leather or in the version with painted metal legs, available in various colours, making it possible to create tone-on-tone combinations or interesting contrasts with

the upholstered part. Comfortable and possessing great elegance, Eral has been designed with a discreet modernity, which allows it to dialogue with different tastes and worlds. In the fully upholstered variant, this chair gives an effect of high uniformity and stylistic compactness, always being pleasantly balanced: a valuable and refined approach to functionality.
