

BONALDO

Mirta New, Marta New, Miss Mirta New, Miss Marta New

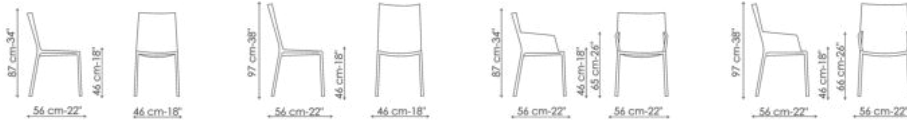

Mirta New and Marta New are two padded chairs, with upholstery in leather, eco-leather or emery-leather. An idea of comfort and formal composure, for timeless elegance. At the origin of Mirta New and Marta New there is a formal research that directs toward a new sobriety of shapes, made of minimal thicknesses and a light and manageable design, carefully proportioned. Thanks to their clean, essential lines, the two models adapt to any environment, from the office to the home, from the

garden to the dining room. The aesthetic potential of the full upholstery in fact gives this collection a pleasantly organic look; the possibility of choosing from numerous colours of leather or eco-leather or emery leather make it a piece of furniture with unexpected potential. Also available in the version with armrests (Miss Mirta New, Miss Marta New). Thanks to Mirtillo New, the coordinated stool, it is possible to create environments that share the same refined and rigorous style.
