

BONALDO

Arno

Arno is an armchair that is part of a collection suitable for imposing living rooms, which has been conceived for furnishing with elegance and comfort not only living spaces, but also offices, meeting rooms and all those areas intended for welcoming. Its clean and linear design indeed makes it suitable for many contexts. Its bespoke cut, together with the quality and clean lines that distinguish it, enhances the upholstery, which is available

in fabric or leather, both removable. Four slender metal feet support a square-shaped body, upon which rests a comfortable cushion seat, which, with its curves, softens the overall image and offers the best comfort. Arno can be combined with the Arno sofa, to create sophisticated coordinated environments.
