

BONALDO

Ika, Ika up, Miss Ika, Miss Ika up

Designer: Bartoli Design

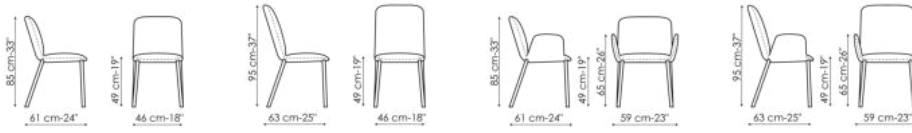

Ika is a family of chairs characterised by a simple silhouette and generous curves that transmit, already from the first glance, a profound sensation of comfort. Not only a visual comfort, but most of all a sensorial one: the abundant padding transforms the seat into a soft and welcoming embrace, to ensure maximum comfort. Along with Ika, the following variants are

available: Miss Ika (with comfortable armrests), Ika up (with high backrest) and Miss Ika up (with high backrest and armrests). All the variants are available completely upholstered in fabric, leather or eco-leather, or with legs in metal in different colours.
