# BONALDO Nikos ego, Nikos low

Nikos ego, an armchair with a soft and enticing design that is an invitation to relaxation, is suitable not only for living spaces, but is perfect also for public environments and areas intended for welcoming. Cosy and welcoming, it is particularly comfortable thanks to its shapes and its lower back cushion in soft down padding, which supports the lower back area. Nikos ego is also available in the version with a low backrest (Nikos low),

and both can be paired with the eponymous sofa (Nikos sofa), to create coordinated environments. With fully removable covers, all Nikos models can be upholstered in fabric or leather. The painted metal base gives the group lightness, and thanks to the wide range of colours and finishes in which it is available, it enhances the body and makes it possible to create delightful combinations or bold contrasts.
