

# ATHENA

*Massimiliano Raggi*

TA

Athena è una lampada da tavolo caratterizzata da rettangoli (la base) e ovali (il paralume) che si fondono insieme. Il paralume può essere realizzato con tessuti materici, in lino o in percaline, per un tocco couture. La base è in rovere tinto marrone scuro con inserti di finitura nickel nero per ribadire un senso di equilibrio. Athena si pone come un vero e proprio "passepartout".

*Athena is a table lamp characterised by rectangles (the base) and ovals (the shade) that blend together. The shade can be made with highly tactile fabrics, in linen or percaline, for a couture touch. The base is in dark brown stained oak with black nickel finish inserts to reaffirm a sense of balance. Athena stands as a real "passepartout".*
