

ONGO

Jessica Corr for Tzelan

BATTERY

Ongo, nasce dalla collaborazione tra Tzelan, Tony Chi e Contardi, e rappresenta la soluzione proposta dall'azienda per l'illuminazione del centro tavola attraverso una lampada senza fili. Interpreta lo stile ed il target del designer, il quale ha pensato ad un prodotto di alto livello, per il materiale e le finiture come per la sorgente luminosa, a batteria, progettata con due intensità di luce regolabili. Ongo è disponibile con finiture laccate "metalliche" e vetro soffiato di Murano per uno stile mix-match.

Ongo was born from the collaboration between Tzelan, Tony Chi and Contardi, and represents the solution for the centrepiece lighting through a wireless lamp. It interprets the style and the target of the designer, who designed a high level product in material, finishes and with a battery-powered light source, produced with two adjustable light intensities. Ongo is available in a variety of elegant finishes and blown Murano glass for a mix-match style.
