Informations on the FONTANA Conference System:

Dimensions FONTANA Conference is an elegant conference and meeting table. As the top only rests on two wood-paneled side walls, the maximum dimensions are limited. Please request your desired dimensions. Because of the huge variety, no prices are listed here. On the opposite page, you will find an overview of the variants in dimensions and bases.

Table top We offer 150 different types of natural stones (page 4-5), diverse veneers, Fenix or high-pressured laminate (HPL). Depending on the table size, also massive wood is available.

Bases

base 1 standard

side walls oak-paneled DRAENERT colors
or American walnut
or lacquered to RAL / NCS
cross section below 60.3 x 6.6 cm
space between the side walls depending on table size

base 1 reinforced

side walls oak-paneled DRAENERT colors
or AmericanWalnut
or lacquered to RAL / NCS
The internal construction and the interconnections are reinforced.
cross section below 60.3 x 6.6 cm
space between the side walls depending on table size

Please note:

The base structure of stone tops is equipped with a continuous metal frame.
The metal frame is in width and length about 30cm shorter than the table top.

Options

We offer different systems for media flaps / service panels and cable routing for power and data connection.

**Note:**

We will gladly design your custom-made conference table. Please feel free to contact us.

Base	Top(s)	Width	Length	Height
