

Collection **FRAMMENTI**

Sliding doors with aluminum profiles on the front which form a grid with coloured lacquered glass panels inside. The profiles are in natural anodized aluminum, thus creating a light and harmonious grid.

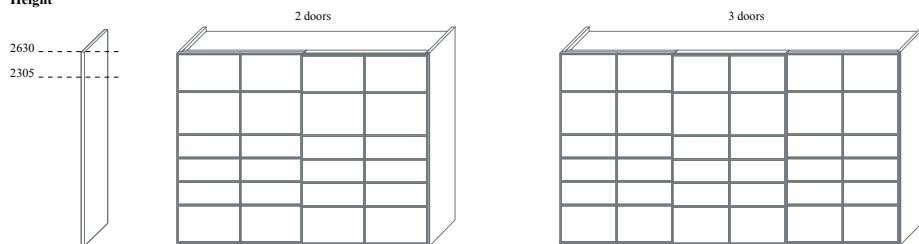

design: Pietro Arosio

**Finishes:**

Doors: with profiles in natural anodized aluminum and with glossy lacquered glass panels in our selected colours or with natural mirror  
External sides: mat lacquered in our selected colours  
Internal finish: mat lacquered in our selected colours, dark walnut
