STUDIO NOVE.3

Mia Cullin studied at Konstfack, University College of Arts, Crafts and Design, as well as abroad at the Denmark Design School in Copenhagen and at Accademia di Moda e Design in Florence. She founded her design studio after having graduated from Konstfack in 1998. Her works span from interior design to furniture and smaller objects. A deeply nourished interest in traditional craftsmanship and visually striking constructions inspires Mia Cullin's work with interior architecture work as well as with design objects in all kind of sizes. Clean, straightforward and often basic geometric shapes are combined with handcraft details.

STUDIO NOVE.3

Mia Cullin ha studiato al Konstfack, University College of Arts, Crafts and Design, oltre che all'estero presso la Denmark Design School di Copenhagen e all'Accademia di Moda e Design di Firenze. Ha fondato il suo studio di design dopo essersi laureata alla Konstfack nel 1998. Le sue opere spaziano dall'interior design ai mobili e agli oggetti più piccoli. Un interesse profondamente nutrito per l'artigianato tradizionale e le costruzioni visivamente suggestive ispira il lavoro di Mia Cullin con il lavoro di architettura d'interni e con oggetti di design di ogni tipo di dimensione. Le forme geometriche pulite, semplici e spesso di base sono combinate con dettagli artigianali.
