PLISSE CLOUD LIGHTING SCULPTURE

DESIGNER: Maurizio Galante

YEAR OF DESIGN: 2013

MATERIAL: Clear Fused Glass

Maurizio Galante as one of the world's most famous haute couture designers was inspired by timeless plisse fabric. The fashion elements, softness and typical movement of fabric are here transformed into glass. The smaller object is based on the technique of Plisse, which rotates around its own axis. The impressive larger one is based on layering cracked desks.
