Solid ash wood structure, moulded and shaped with CNC machines, painted with water-based colours in Black and Mink Brown. The seat and backrest are in medium density polyurethane foam, covered in non-removable leather or fabric upholstery. On the backrest, there is an elegant handle in braided saddle leather, coloured dark brown, fastened to the frame with chromed metal studs in the following finishes: bright shaded brown, bright light gold, bright black chrome, matt satin bronze. At the bottom of the rear legs are installed two chromed metal ferrules also available in leather as per our sample set. All metals are available in the following galvanised finishes: bright shaded brown, bright light gold, bright black chrome, matt satined bronze.
