GRAFO LOW TABLE

Designed by Victor Vasilev

Grafo comes from the designer's desire to endow an object with the "identifying mark" of the iconic products of the MDF Italia collection.

A pure, straightforward graphic quality - part of the company's philosophy - has been the source of inspiration for the project.

The collection is made up of two complementary coffee tables, that allows endless solutions to be developed in accordance to the free, creative interpretation of the customer.

STRUCTURE AND TOP

Made of a loadbearing structural MD- fibreboard panel and aluminium in thickness 15mm, in matt white or black Fenix®.

Legs are made of cast aluminium with section 15x15mm, powder-coated in matt white or graphite.
