K TABLE

Designed by Victor Vasilev

A pleasant play of interconnecting elements, which creates an ironical collection. With a simple design, K coffee tables can be included in any context and setting; as a single piece or grouped together, different configurations and compositions based on customers' creativity can be figured out. Frame in steel painted in matt white or graphite. Table tops in porcelainised grès in the gloss or satin-coated variants: white, medium grey and anthracite, as well as the special Corten version.

FRAME

Frame in steel with section 15x15mm, painted in matt white or graphite. Feet in rigid nylon.

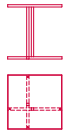

TABLETOP

Built-in non-removable tabletops in porcelainised grès (thickness: 6mm).
