NOVELTIES 2019: NEW FINISHES

MDF Italia pure and essential lines expressed in a practical, multitask slightly informal elegance. Piergiorgio Cazzaniga's M1 looks like this: an eco-friendly, fully recyclable chair, that is also stackable, in the plastic shell version, offering top functionality in every space. Available with plastic shell, either painted or coated with over 400 fabric or leather colour variations, M1 comes with the classic stainless steel or chrome base, and more recently, with a tone-on-tone painted base.

But that's not all! For this chair today, different shades can be selected: aviation blue, mud, powder, green, lead, as well as the traditional white. A colour, an emotion to meet the needs of different environments: from home –kitchen, living area and bedroom – to business spaces, such as offices, conference rooms, up to public venues, such as bars and restaurants.

M1 shape can be seen in both indoor and outdoor spaces, thus confirming its versatility that has made it the protagonist in many projects.
