

## Louis

Braccioli sagomati con un taglio obliquo caratterizzano la collezione e, grazie al cuscino di seduta intero, l'immagine complessiva risulta morbida ma sofisticata. La possibilità di giocare con la combinazione di elementi con diverse profondità permette composizioni eclettiche e versatili.

Contoured armrests with an oblique cut are the characteristics of this collection and, thanks to the seat cushions, the total look results both softer and sophisticated. The possibility to play with its various elements with different depths allows to have versatile and eclectic combinations.

## Harold, Louis vassoio-tasca tray-pocket

Un nuovo accessorio per i divani dal fascino intramontabile Louis e Harold:  
un vassoio in legno di rovere o in lacca con sella in cuoio dotata di tasche lisce o intrecciate,  
da posizionare liberamente sui pouf, come portaoggetti e portariviste.

A new accessory for Louis and Harold sofas with a timeless charm: a tray in oak  
wood or lacquer with saddle-leather with smooth or woven pockets, to be freely  
placed on the ottomans, as a storage piece or magazine holder.
