

PLAN

CR&S MISURAEEMME

Plan has a real graphic feel to its top surface, while it is the stunning handles in shiny aluminium – fitted on the four sliding, coplanar doors – that bring some theatre to the piece. Your eye is immediately drawn to this stylised vortex, yet the design is also practical and makes for a more comfortable grip.

TYPE / SIDEBOARDS

MisuraEmme

TECHNICAL DESCRIPTION

DESIGNER

CR&S MISURAEEMME

Care for details is a must for **MisuraEmme R&D Center**. This does not only show through the choice of first-class materials – from Carrara marble to solid oak wood, fabrics made in Italy to European leathers – but also customised processing and craftsmanship give added value to furnishing accessories. All this and more, make the products of MisuraEmme unique and exclusive, a result of a mixture between refinement and innovative technology.
