

# TUBES 3 PENDANT

*Charles Kalpakian*

Family of pendant, wall and ceiling lamps, made with tubular elements for a strong and essential design expressed through pure forms. The wall versions are in extruded aluminum are rotatable and adjustable and are also available with push dimmer installed directly on the lamp.

In the ceiling version the ceiling element rotates 340 °, while the other cylinder can be rotated by 90 °.

Available in different color versions, all one color or with two matching colors.

Opal plexiglass diffusers.
