Herm, 925/O45
pouf \ pouf

Un dettaglio sartoriale contraddistingue il pouf Herm: una cintura in tessuto o pelle con cuciture a vista lo circonda creando raffinati plissé, dotata di una pratica maniglia che ne agevola lo spostamento. Proposto in tre diverse forme, Herm è disponibile sia nella versione indoor, per creare diverse composizioni in un interno domestico, sia nella variante outdoor, per personalizzare terrazze e giardini.

A tailored detail distinguishes the Herm pouf: a belt in fabric or leather with visible stitchings, surrounds the pouf to create fine pleats. A handle is fitted to make it easy to move it around. Available in 3 different shapes, it comes in an indoor version to create different interior compositions, or in the outdoor version to personalise terraces and gardens.
