**Léna, 903**  
**sedia \ chair**

Disponibile nelle versioni sedia, poltroncina e poltrona lounge, fissa con gambe in frassino, e girevole con base centrale a quattro razze in alluminio, Léna propone una rilettura in chiave minimal contemporanea della classica seduta a pozzetto. Grazie alla particolare costruzione dello schienale, nella versione sedia o poltroncina, Léna elimina quasi completamente le cuciture creando una scanalatura che rende particolarmente funzionale la realizzazione della versione bimaterica.

*Available in the chair, small armchair and lounge chair versions, with ash legs or four star swivel aluminum central base, Léna proposes a reinterpretation of the classic tub chair in a contemporary minimalist style. Thanks to the particular construction of the back, in the chair and armchair versions, Léna eliminates the sewing almost completely, creating a groove which makes the construction of the bi-material version particularly functional.*
