

Lyz, 918/SL
sedia \ chair

La collezione di sedute Lyz si amplia dimostrando la sua versatilità e capacità di rispondere ad ogni esigenza proponendo una moltitudine di differenti soluzioni. Alle versioni con gambe in legno di frassino o noce Canaletto e quella con base girevole a quattro gambe in metallo, si aggiungono tre nuove varianti. La sedia e poltroncina Lyz con gambe a slitta, capace di inserirsi trasversalmente in ogni tipo di contesto dal contract al domestico, la versione cantilever in tubo di metallo che strizza l'occhio allo stile Bauhaus, perfetta per una sala riunioni così come un sofisticato ristorante, alla versione più iconica che si erge come una scultura sulla base a cono metallica.

The Lyz seating collection is expanding proposing a multitude of different solutions. To the versions with legs in ash wood or Canaletto walnut and the one with swivel base with four metal legs, three new variants are added. The Lyz chair and armchair with sled legs, able to fit transversely in any type of context from contract to domestic, the cantilever version in metal that winks at the Bauhaus style, perfect for a meeting room as well as a sophisticated restaurant, to a more iconic version that stands like a sculpture on metal cone base.
