Dalle rimembranze esotiche, Ropu si distingue per la bordatura intrecciata in cordino di cuoio, nella versione per interni, o nautico, per gli esterni, che corre lungo il perimetro creando una cornice per top in marmo, vetro retroverniciato e hpl oppure soffici cuscini con profili a coda di topo. Con base a quattro gambe in metallo, la collezione è disponibile nella versione tavolino basso, con piano rettangolare, o alto, con piano tondo, e pouf rettangolare da abbinare in libere composizioni.

From exotic remembrances, Ropu stands out for its sophisticated woven border in hide rope, for indoor spaces, or nautical rope, for the outdoor, running along the perimeter structure creating a frame for marble, back-painted glass and ceramic tops or soft cushions with mouse-tail cord profiles. With a four-legged metal base, the collection consists of a low coffee table with rectangular top, or a high coffee table with round top, and a rectangular pouf that can be combined in the desired compositions.
