

Lembo

DESIGN BY
PRANDINA
2010

^{IT} Ogni parete merita una sua storia e di essere valorizzata dalle forme di Lembo, una collezione in grado di arredare non solo attraverso una studiata emissione della luce, ma anche con dei diffusori dai tratti dinamici e vivaci. Disponibile in due versioni, in due sorgenti luminose e in due dimensioni, Lembo è un racconto di luce fresco e capace di svelare nuovi riflessi in un ambiente.

^{EN} Each wall deserves its own story and is enhanced by the shape of Lembo, a collection that decorates not only with its studied light diffusion, but also with the diffuser's dynamic and lively traits. Available in two versions, two light sources and two sizes, Lembo is a tale of fresh light, able to awaken new ideas in an environment.
