^{IT} È la storia più lunga e più avvincente quella della collezione Notte, fin da subito eletta ad icona dello stile Prandina. Da sempre valorizzato da una vasta scelta di finiture e dimensioni, il suo design trova perfettamente spazio in qualsiasi ambiente. Alla gamma di sospensioni si affiancano ora anche le versioni da tavolo e da terra.

La preziosità dei diffusori in vetro soffiato e le finiture ricercate caratterizzano questa collezione senza tradire la sobrietà di forme e concetto.

^{EN} The Notte collection is our longest and most exciting production, immediately chosen as the icon of Prandina's style. Always enhanced by a vast choice of finishes and sizes, its design finds the perfect space in any environment. Both a table and floor version have now been added to the range of suspensions lamps.

The preciousness of the blown glass diffusers and the refined finishes characterize this collection without betraying the sobriety of shapes and the concept.
