^{IT} Quattro diverse dimensioni per esaltare al massimo una forma classica, storica, imprescindibile ancora oggi. La collezione Zero racconta del vetro, della luce in tutta la sua diffusione, della qualità di Prandina che non cambia, ma si tramanda e si continua a raccontare. Prodotti come questo vanno capiti ed interpretati con attenzione, riga dopo riga, parola dopo parola; non si confondono

mai perché sono fatti per restare e resistere al vento di tendenze passeggere.

^{EN} Four different sizes to best celebrate a classic, historic shape that is still indispensable today. The Zero collection demonstrates glass, light in all its diffusion and the unalterable quality of Prandina that has been handed down over time, yet continues to impress. Products like this should be understood and interpreted carefully, line by line, word by word; never confuse them because they are made to stay and resist passing trends.
