Elegante e leggero come il calice da cui prende il nome, questo tavolo assume diverse personalità a seconda degli abbinamenti materici e cromatici prescelti: dal piano in vetro laccato, Materia, legno, ceramica o hpl, alla base in metallo cromato o laccato.

Elegant and light like the namesake glass, this table expresses different personalities according to the chosen materials and colour combinations: from the top in lacquered glass, Materia, wood, ceramic or hpl, to the base in lacquered or polished chrome metal.
