Frog

Design by Lieve Altherr Molina

I tavoli Frog sono realizzati con un'unica lastra di vetro, sagomata e piegata con sapiente tecnica. Alla purezza del design corrisponde una particolare resistenza, per ogni situazione ambientale e d'uso, grazie all'utilizzo di un grosso spessore di vetro curvato.

Frog tables are made from a single glass sheet curved and shaped with skillful technique. The purity of its design belies its exceptional strength for each setting and use, thanks to the use of a very thick bent glass.
