Dal termine Navajo "Kéyah" che rappresenta l'idea di uno stretto legame ed equilibrio tra l'uomo e la terra, nasce una sedia che suggerisce un dialogo con l'ambiente nei contesti outdoor. Una seduta bilanciata che assicura un'ergonomia ottimale, donando benessere e comfort e garantendo il piacere della condivisione di questi spazi.

From the Navajo word "Kéyah" that represents an idea of a close link and balance between human and nature, arises a chair that suggests a dialogue with the environment in outdoor contexts. A balanced seat that ensures a perfect ergonomics, well-being and comfort together with the pleasure of sharing these spaces.
