

Lambda

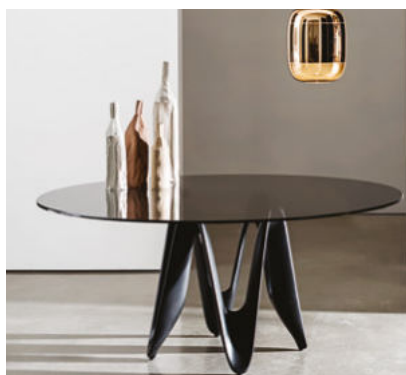

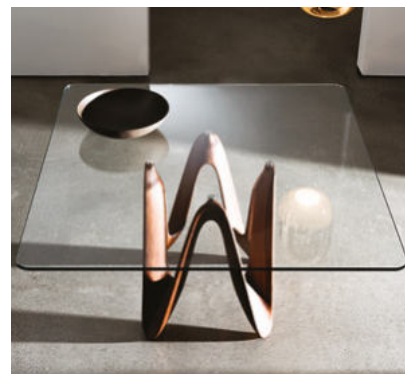

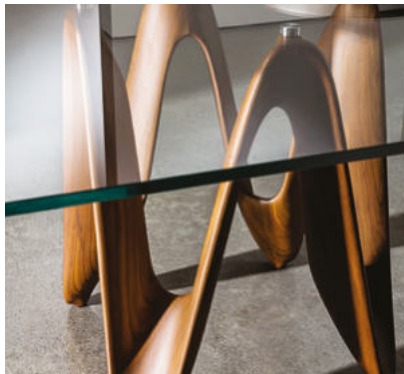

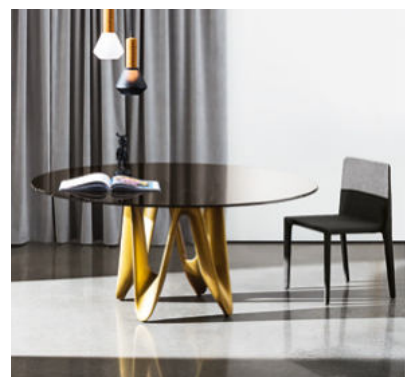

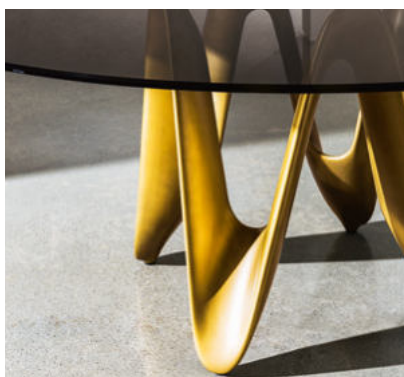

SOVET

ITALIA

Lambda è ispirato al dinamismo di una forma in movimento, come il nastro di una ginnasta che volteggia nello spazio disegnando forme morbide e libere. La sua estetica originale si propone di arredare lo spazio giorno con una nota di essenziale armonia.

The table has been inspired by the dynamism of a moving element, like the ribbon of a gymnast that vaults in the air drawing natural and soft shapes. Its original look furnishes the living area with a touch of essential harmony.
