

Magda suspended

SOVET

ITALIA

Magda è una nuova collezione di madie che unisce la matericità e le morbide venature della ceramica effetto marmo alle preziose e affascinanti tonalità di specchio Sovet.

Magda is a new collection of sideboards that combines the material aspect and the soft grains of the marble effect ceramic with the precious and fascinating shades of the Sovet's mirrors.

Magda suspended

★

Gli specchi oro e rosa potrebbero presentare delle piccole imperfezioni dovute alle caratteristiche tecniche del materiale. Non possono essere utilizzati in luoghi umidi. Pulire solo con panni asciutti.

Gold and rose mirrors could have small imperfections due to the particular technical characteristics of the material. We recommend not to use them in damp areas. Clean only with a dry cloth.
