

PYLON CHAIR

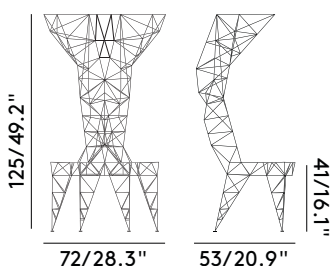

Originally created on a self-propelled mission to design the world's lightest metal chair, Pylon was made in a small series in Dixon's metal workshop in the early 90's. The lattice work of 3mm diameter steel rod is triangulated for maximum strength – an exercise in pure unadorned structure.

PYLON CHAIR WHITE

Code
PYC01W

Year of Design	1991
Material	Steel
Finish	Gloss Powder Coat

PYLON CHAIR

Process

Hand welded steel rods, finished with a gloss white powder coat.

Cleaning Instructions

Clean with a soft damp cloth. No abrasive agents.

Country of origin

Great Britain

Packaging

Height	1.37 m/53.94 in
Width	0.85 m/33.46 in
Length	0.67 m/26.38 in
Weight	17 kg/37.48 lb

Product Weight

3.2 kg/7.05 lb

Requires Assembly

No
