

Slab Bar Stool

Made from solid oak with a heavily lacquered surface finish. The exposed cast iron foot rest reinforces the structure of the stool, creating a durable and hard wearing design. Available in black and natural.

Process	Made from solid oak, brushed to remove the softer parts of the wood leaving a very resistant surface which is clear lacquered or black pigmented. The visible natural grain of the wood exposes the character of the material.
Year of design	2009

Cleaning instructions	The wood is treated with a matt lacquer. The product can be cleaned with a damp cloth as required. Avoid putting hot items directly onto the surface. Sunlight may cause discoloration of the timber over a period of time. A good quality polish should be used to remove marks and small scratches and to bring out the shine off the bench (only on natural oak version).
