

## **Slab Bar Stool**

Made from solid oak with a heavily lacquered surface finish. The exposed cast iron foot rest reinforces the structure of the stool, creating a durable and hard wearing design. Available in black and natural.

Process	Made from solid oak, brushed to remove the softer parts of the wood leaving a very resistent surface which is clear lacquered or black pigmented. The visible natural grain of the wood exposes the character of the material.		
Year of design	2009
