

Equilibrio e armonia parlano per il design ben calibrato del programma gallant che consiste in una sedia, una sedia con braccioli ed uno sgabello. Le gambe in massello di noce canaletto e la struttura con una imbottitura particolare con rivestimento in pelle o tessuto fanno diventare questi modelli estremamente eleganti.

Balance and harmony speak for the well measured design of the gallant program that includes a chair, an armchair and a barstool. The legs in solid American walnut and the structure with an unique padding upholstered in leather or fabric, make these models extremely elegant.
